scheme that will aim to make the country self-reliant in furniture manufacturing through incentives, such as tax breaks.

In the first eight months of FY21, India imported furniture worth \$592 million, more than half of which came from China. "We have begun an exercise and consultations are on with various stakeholders for the furniture sector," said an official.

However, a production-linked incentive scheme, or PLI, is ruled out for the sector, the official said. "We are looking at schemes which states can consider and what benefits they can offer such as tax concessions," the official said.

India Inc Seeks Govt Appro

New Delhi: India Inc has sought the government's permission to contribute to the Covid-19 vaccination drive by inoculating employees and their immediate family members.

Businesses could also conduct vaccination programmes for local communities through corporate social responsibility initiatives, the Confederation of Indian Industry (CII) said.

This would benefit about 100 million people in the formal sector and hasten the vaccination process, it said. "Industry can supplement and contribute to the government's programme with app-

with... and the UK have initiated second or third wa... lising a view," the official added.
